Lockheed Aircraft Corporation  
Burbank, California

Gentlemen:

As a result of a recent meeting at [ ] place  
we are authorizing you to proceed with System VI engineering  
and Mockup work.

25X1

Ed Martin has indicated that the following work is  
necessary:

- (1) hatch modification
- (2) kits for brackets, antennae and wiring
- (3) movement of oxygen system (probably)

It is requested that you furnish a cost estimate as soon  
as possible.

Very truly yours,

25X1
